Learn to Live Sustainably at the Michigan Energy Fair

Manistee, MI (June 16-18, 2006) – Learn how to live a more sustainable life in today's world at the Michigan Energy Fair. Featuring exciting keynote speakers and over 50 different workshops on topics such as organic farming, permaculture, solar and wind energy installations, green building and much more, the Michigan Energy Fair is the place to identify ways to infuse sustainable living in all aspects of your lifestyle.

The Michigan Energy Fair will be held June 16-18, 2006 at the Manistee County Fairgrounds in Onkama, Michigan and will provide energy efficiency, renewable energy and sustainable living education in a fun festival atmosphere. Enjoy tasty local food, great music, exciting tours and more. And don't miss our special activities for kids at Saturday's Kid's Day!
